

Senior Portrait Information

Our award winning Yearbook staff will be accepting Senior photos through Friday, October 30th. Your portrait, if you choose to submit one, should comply with the following regulations. (If you choose not to submit one, we will default to your school picture.)

- Pictures that are submitted must have the student's first and last name clearly marked.
- Submit a 2 1/2" x 3 1/2" digital picture by October 30, 2009 (this is a fairly typical wallet size picture). If your picture is within a 1/2" of the size listed above, that will work.
- PLEASE SUBMIT ONLY DIGITAL PICTURES TO: Annie.stone@sno.wednet.edu
- Your head size within the picture needs to be 1 1/4" from the top of your head to the bottom of your chin. This means a picture from the chest up, not a full body shot.
- You may use any indoor or outdoor background.
- Please do NOT include the following in your picture: flags, numbers, symbols, animals, anything but YOU. This is intended to be a casual head shot of you of your choosing.

If you have any questions, please contact Annie Stone at 360-563-7552 or Annie.stone@sno.wednet.edu
