

Our GPHS Parent Organization

Our parent organization supports our students and staff in a myriad of educational activities and experiences throughout the school year. Their sponsorship is an integral part of making our school a success, providing financial and professional support through their volunteer efforts. Chaperoning dances, assisting with supervision at lunches, proving staff appreciation activities and sponsoring guest speaker is just a small part of their ongoing contributions to our school. We would like to invite all of our parents to participate in the meetings and to become an active participant in our school activities.

Our Board Members for the 2008 - 2009 School Year

President:	Patty Venema	360-668-9870	Singletree.venema@verizon.net
